Barbara Ann Karmanos Cancer Institute Research Grand Rounds Presents:

“Targeting HDACs for Cancer Therapy and Beyond”

Edward Seto, Ph.D.
Associate Center Director for Basic Science
George Washington Cancer Center
Professor, Department of Biochemistry and Molecular Medicine
King Fahd Professor of Cancer Biology
GW School of Medicine & Health Sciences

Thursday, March 22, 2018 at 4:30 p.m.
2nd floor Wertz Auditorium, HWCRC

Refreshments will be served beginning at 4:15 p.m.

The principal objective of the Karmanos Grand Rounds is to update cancer researchers and physicians on recent advances in the prevention, detection and treatment of cancer.

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this live activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)(tm). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Attending Audience: Approximately 30+ including clinical and basic scientists, and research assistants whose careers are focused around the areas of cancer treatment, prevention, education and research.
