

Pharmacology and Cancer Biology Faculty, Students, Postdocs and Staff:

The annual Pharmacology / Cancer Biology picnic will be held Friday September 10, 2021 from Noon till 4 pm at Patterson Park in Grosse Pointe Park. All including family are invited.

A map and directions are attached.

Hamburgers, hot dogs, condiments, beverages, plates and cups will be provided. There will be a sign-up list outside the Pharmacology Office (6370 Scott Hall) and one being coordinated through the Cancer Biology program for bringing other food items. You may also contact Delana Knighton (dknight@med.wayne.edu) to let her know who is attending and what you are bringing if you are not in Scott Hall.

Faculty members are reminded that they should contribute \$20 to help defray costs (see/contact Cindy Peters; cstevens@med.wayne.edu). Bring sports equipment such as croquet sets, volleyball and net, tennis equipment, etc. if you have such. There is also a playscape for small children. Sorry, rollerblading is not allowed.
